The compact nesting ability of the **Hurry Up!** table is achieved through an innovative leg-within- leg design. Tables rest in a straight line, conserving space.

Hurry Up!® Tables

Hurry Up! tables put you on the fast track when it comes to setting up, reconfiguring and storing tables. When you have a table on casters that flips and nests, it just doesn't get much easier.

Hurry up can be offered with modesty panel

Modular Extensibility

Hurry up tables can be placed side-by-side to create extended configurations. Locking gangers fixed under the table adds stability to the configuration.

Option of glides for stability where mobility is not important.

The release mechanism allows user to flip the table with one motion.

Safety lock to prevent unintended flipping.

Lockable Castors
